
Light Wood Grain Foam Floor Mat From <http://www.matfoam.com/>

MODEL:	24"X24"
SIZE:	24"X24"
PACKAGE:	6pcs/set

Light Wood Grain interlocking floor tiles

Interlocking EVA (Ethylene Vinyl Acetate) Foam Floor Tiles complete with edging strips. These floor tiles offer a slightly different look than the usual black or grey tiles as they are wood effect. The design makes them ideal for indoor use including caravans, garages and in the home. It's water resistant, easy to clean and provides some slight anti-fatigue benefit.

Wood Effect Choice:

Details Instruction:
